

1

Sign up on dashboard.razorpay.com

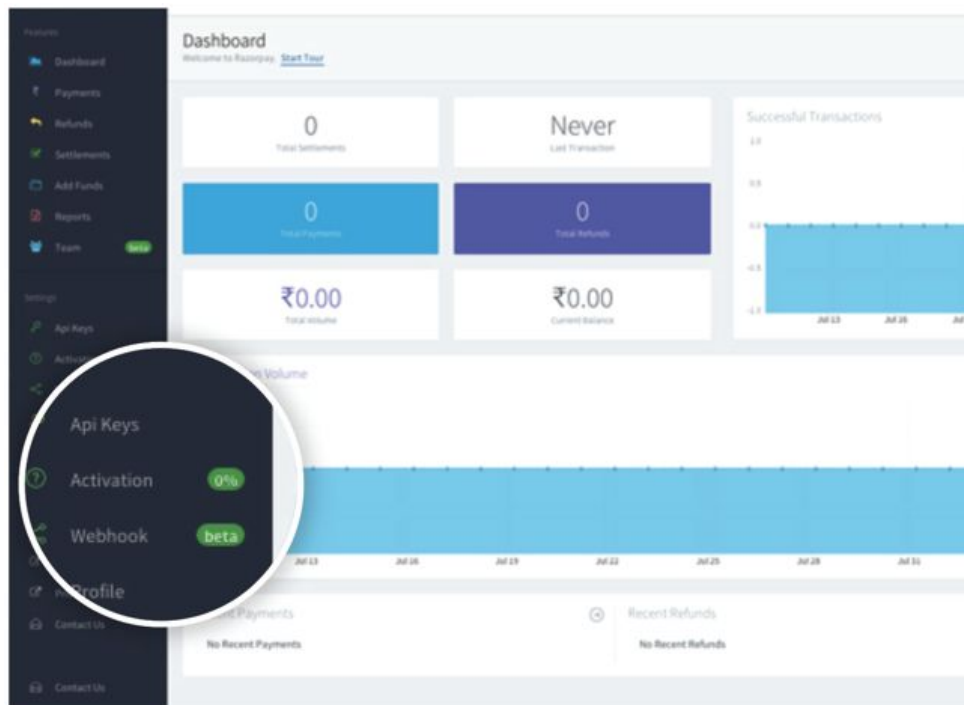

The image shows the Razorpay sign-up form. At the top is the Razorpay logo. Below it is the text "Sign up to start using our service now". The form consists of several input fields: "Business Name", "Individual Name", "Phone Number (optional)", "Email", "Password", and "Password Confirmation". Below these fields is a checkbox labeled "Agree the terms & conditions and privacy policy". To the left of this checkbox is another checkbox labeled "I'm not a robot". To the right of the "I'm not a robot" checkbox is a reCAPTCHA logo and the text "reCAPTCHA Privacy - Terms". At the bottom of the form is a purple button labeled "Sign up".

2

Upon signing up, you will receive a link to your dashboard

3

Click on Activation Form at the bottom left side of the dashboard.

4

Fill up details + upload relevant documents in Documents Upload tab

5

Submit (note: We advice merchants to fill forms to a 100%)

Activation Form

Transaction Report Email

All payment related reports will be sent to this email address

Mobile

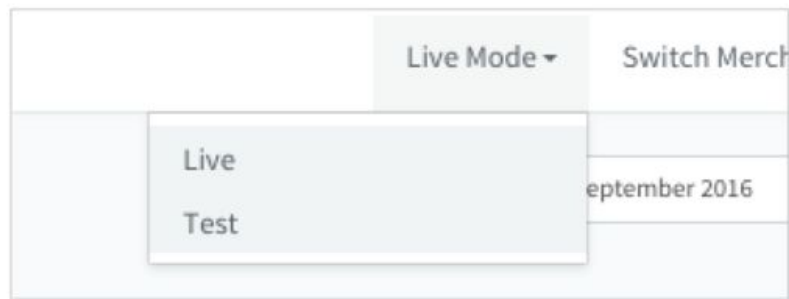

Landline

6

Once the form is submitted, it takes 3-4 working days to verify the same. You will receive an email from the Razorpay Team on the status of your activation.

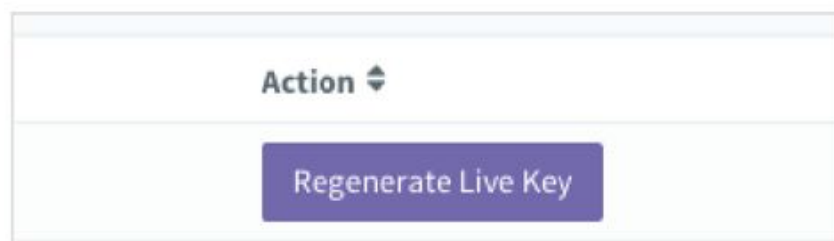

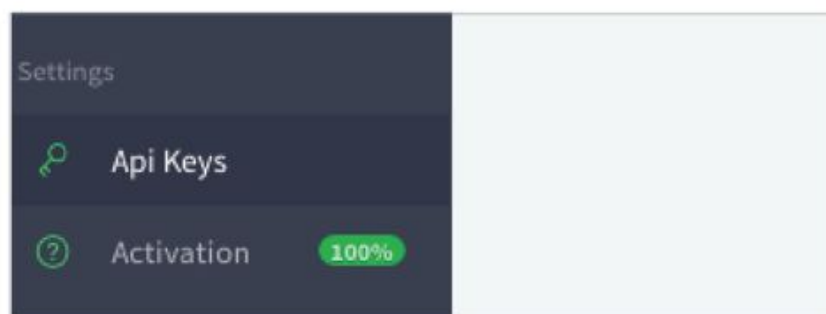

7

Once the account is approved, go to the top right corner of the dashboard and switch to Live Mode from Test Mode.

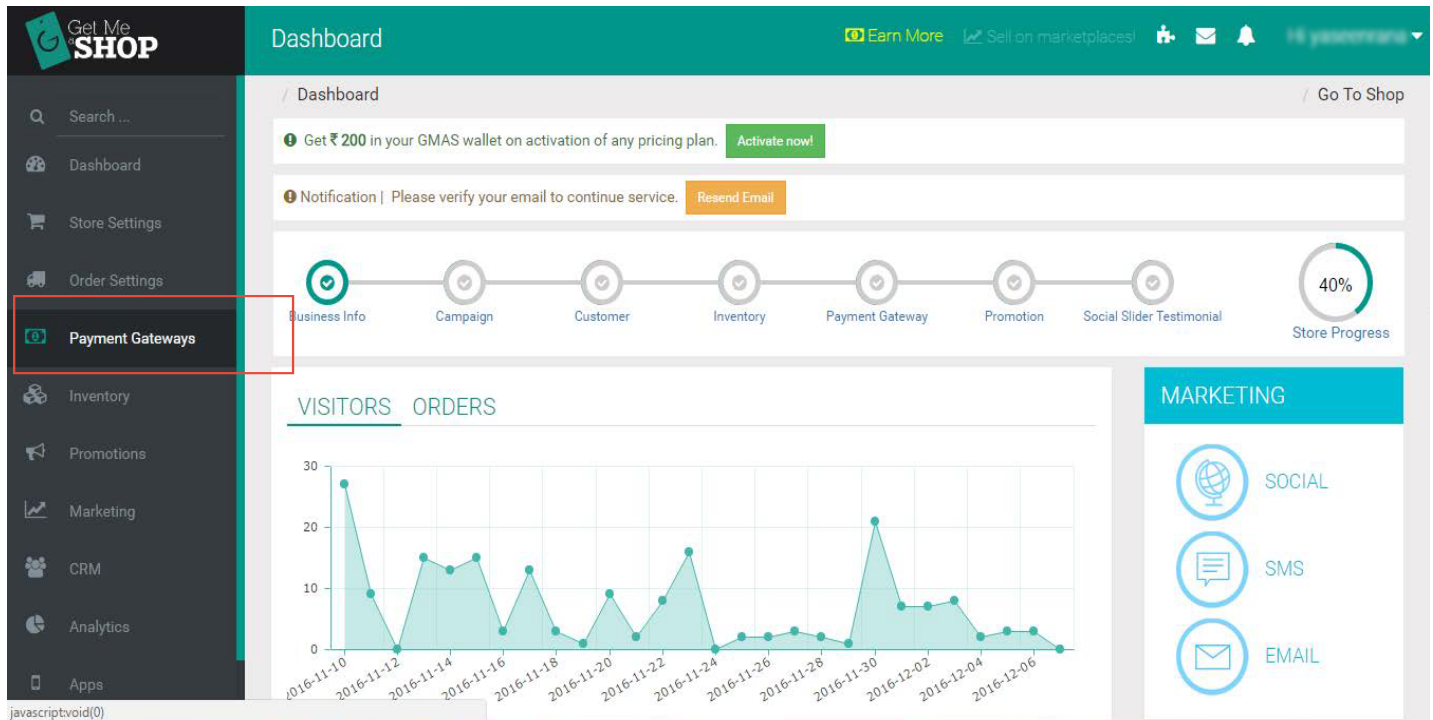

8

In live mode, generate live keys by clicking on API Keys. Save these details.

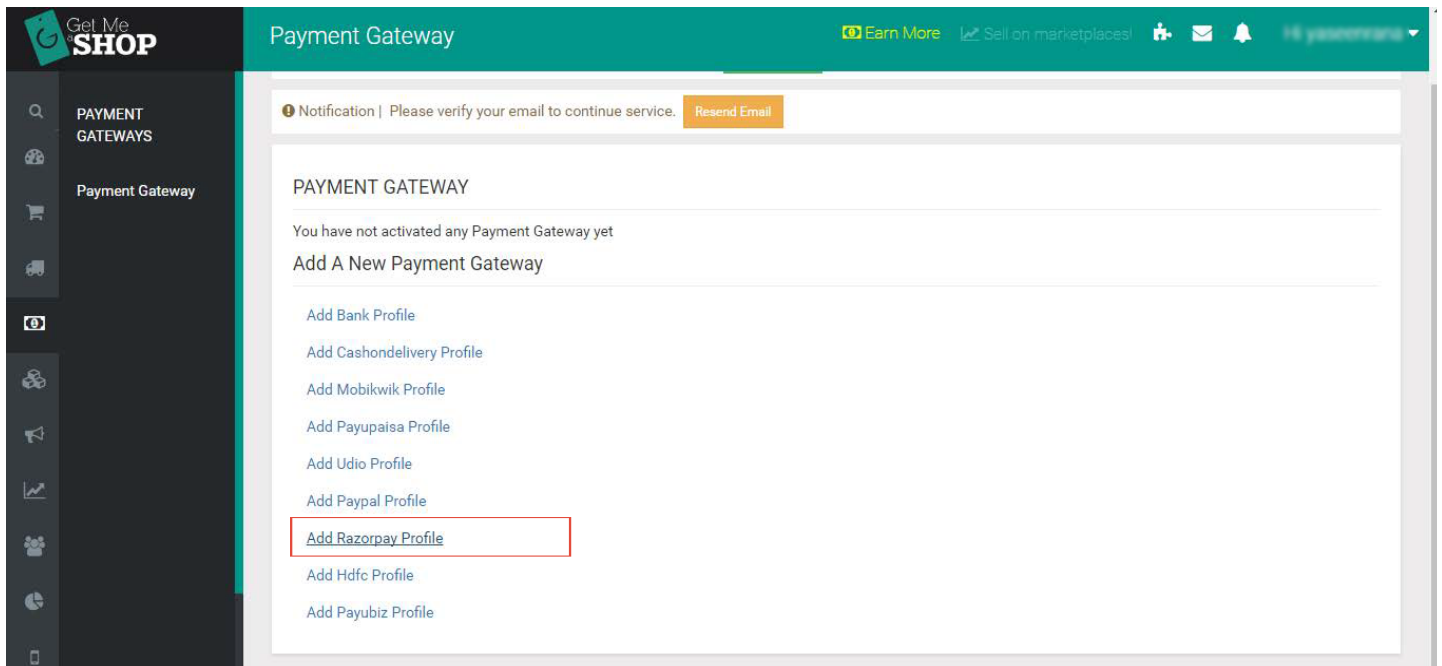

9

Finally, you can now use these keys and input it in the GetMeAShop dashboard(www.getmeashop.com) in the Payment Gateways section:

10

In the Payment Gateways section you will find Add Razorpay Profile, select it

11

In the Razorpay profile add the respective values, check enabled and save. You are ready to receive payments using Razorpay on your eCommerce store.
