

Zoho Integration

Step 1 - Sign up on dashboard.razorpay.com.

Step 2 - Verify your email address by clicking on the link sent to your registered email address.

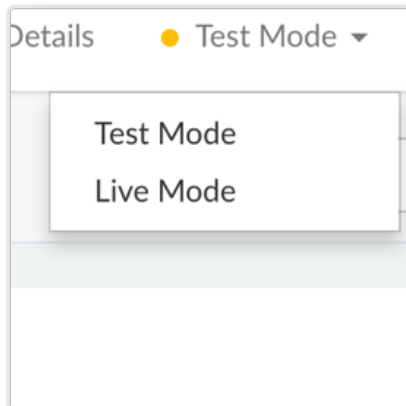

Step 3 - Click on **My Account** and fill in the **Activation** form. Fill up the details and upload the relevant documents in Documents Upload tab.

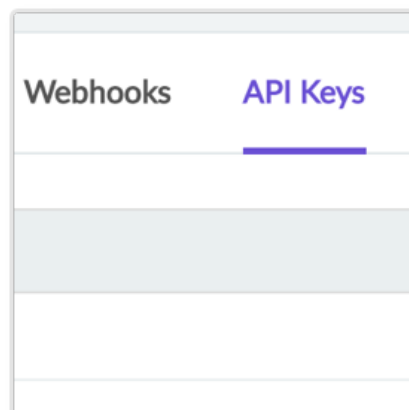

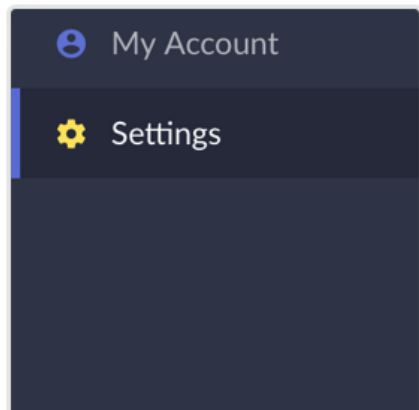

Step 4 - Submit the activation form for approval. Once the form is submitted, it takes 1-2 working days to verify your account. You will receive an email from the Razorpay team on the status of your activation.

Step 5 - Once the account is activated, switch to **Live Mode** from the Dashboard.

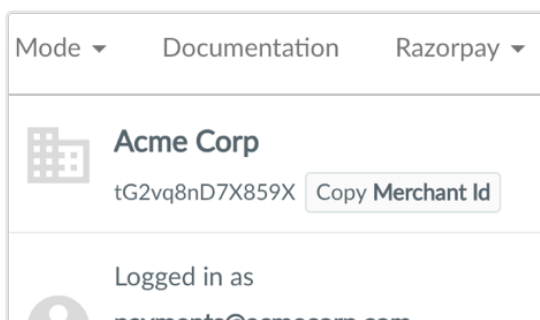

Note: Your Razorpay account should be activated and should be in the Live Mode for integrating Razorpay with Zoho.

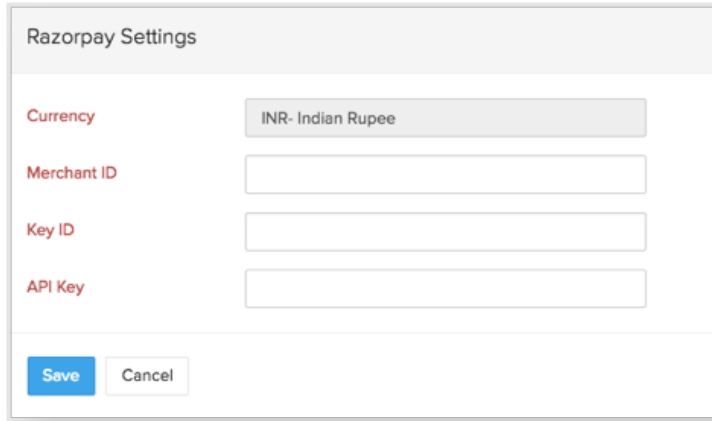

Step 6 - Generate live API keys and save these details.

Step 7 - Find your **Merchant_ID** from the Razorpay Dashboard and save it.

Step 8 - On the **Zoho Dashboard** click on the **gear icon > Integrations > Online Payments**. Click on **Setup Now** button under Razorpay and enter the information required.
